

PEACOC: Parent Education and Communities of Concern Subcommittee

Meeting Date and Time: The 2nd Tuesday of every month from 10:00am-11:30am

Location: Pima County Juvenile Court Center, ACES center, 2225 E. Ajo Way

About PEACOC: This group has an upcoming Training of Trainers on parent education workshops Marijuana 360, Rx360, and the Power of Parents program (an underage drinking workshop for parents) in collaboration with Mothers Against Drunk Driving (MADD). In addition, they are including a Trauma Informed Care presentation geared towards parents to help them better understand childhood trauma. PEACOC also holds town hall events. The Town hall events are free to families and include youth and parent workshops.

- The **Train the Trainer** event is February 24th 2020, in partnership with TUSD.
- **AZ Youth Partnership** attends the PEACOC, and is involved in the **Strengthening Families program**. For other groups running Strengthening Families, you could benefit from attending, networking and collaborating on a regular basis in the efforts to avoid overlap of services and identify any gaps in coverage.
- For people **conducting RX360**, you could also benefit from attending the PEACOC meeting! Use this time and space to network on a regular basis in the efforts to avoid overlap of services and identify any gaps in coverage and services.
